Ugly chicks always runnin' their lips
Talking about this and that now aint that a trip
They wanna start pleito, but they never come close
So i let this be known Cause thats the way that it goes
Aint no way they gonna stop me on the M-i-c
I got you hating cause you cant quite do it like me
I got you hating on my tracks, you know it dont act
dumb
As a rapper im willing to take all the criticism
You hearing out of a real lady dont act like you forgot
Hating on Dolly Menace cause im everything your not
A dolled up classy lady you aint even on my level
Its forsure that all you are is just ghetto
I know you wish that i step back and stop rappin
But imma keep doing what i do and you all be laughin
All you haters cant ever face me
So just do what you do best and just keep on hating

You girls are pretty funny thinkin you know wassup
Tryna walk around me tryna act all tough
Always gettin mad when the fans show me love
Talkin about my lyrics when you havent been in my
shoes
Bunch of ugly face'is what i see when you come thru
You girls are pretty funny thinkin you know wassup
Tryna walk around me tryna act all tough
Always gettin mad when the fans show me love

Im one of the best on the mic homie it aint no trip
Im that menace writing flows and i'll always be that
chick
Im what you like to hear im what makes you turn it up
Only original homie yeah now thats wassup
Im the sickest hyna so by that you know
My flows are better than what they bring at every studio
All dolled up from my head to my feet
Keeping it classy so you know im rolling deep
Always keeping it real, aint got time for them fakes
And with every move i make i leave 'em foos amazed

Girls envy me and i think they have a right
Its puro jealousy since im runnin the spotlight

I am what i am, obviously im not all about everything
that does runs outta your mouth
You wont get respect if i dont get mine
You'll never blow up my shine
Cause homie its my time

You girls are pretty funny thinkin you know wassup
Tryna walk around me tryna act all tough
Always gettin mad when the fans show me love
Talkin about my lyrics when you havent been in my
shoes
Bunch of ugly face'is what i see when you come thru
You girls are pretty funny thinkin you know wassup
Tryna walk around me tryna act all tough
Always gettin mad when the fans show me love

They could show me love,
They could show me hate,
Imma do my thang no matter what they say [x4]

Check it out and get this straight into your mente
I dont do this for you haters i do it for my gente
I bring the sound that brings the chills
Haters keep talking but i keep it real
They try to make me look stupid when i come around
You must be foolish you cant put a good hyna down
I bring the heat, keep it hot
????????????
They can do what they please, say what they want
Dolly's on the rise and straight for the top

You girls are pretty funny thinkin you know wassup
Tryna walk around me tryna act all tough
Always gettin mad when the fans show me love
Talkin about my lyrics when you havent been in my
shoes
Bunch of ugly face'is what i see when you come thru
You girls are pretty funny thinkin you know wassup
Tryna walk around me tryna act all tough
Always gettin mad when the fans show me love
