I heard them scream.  
This is the last time these voices call.  
I heard them scream.  
Again and again, they cried out telling me how I should  
be.  
Iâ€™ve been told wrong.  
Iâ€™ve been told wrong.  
Why must it come to this?  
Another piece has been broken.  
Iâ€™ve been told wrong.  
Iâ€™ve been told wrong.  
And Iâ€™ll quote the voices.  
I will keep breathing.  
Shouting my name, shouting my name.

But I will keep on breathing.  
Maybe I can drown out the voices all around me  
that want to send me down the same road.  
It seems that Iâ€™m living for someone else's purpose.  
If I give into this Iâ€™ll be a walking ghost.  
Shouting my name, shouting my name.  
How true could this be?  
I hear the sounds.  
I hear these sounds again.
