Shadow of Our Past

We Hide Inside, the safety of the same games

The same games

Secrets, We've shield spinning us now in circles

Bound in circles

Don't pretend to know me, Yeah!

Cause you don't know a thing

Spin me from the agony, Yeah!

Man, you so know anything.

We play those games, when everything was perfect

More then perfect

How did we swim into this vicious cycle?

Evil Cycle

Stop Controlling everything, Yeah!

One day soon your gonna see

The Foul Love that you remade, Yeah!

has made you my worst enemy

So tell me why you need to feel?

These things that are not real?

Admitting in this...

Love you until now

The Shadows of Our Past

Still nothing in our bags

And this is the moment it all comes down!

We hide Inside, the safety of the same games

Stupid Games

Secrets, We've shield spinning us now in circles

Bound in Circles

Don't pretend to know me, Yeah!

Cause you don't know a thing

The Foul Love that your remade, Yeah!

Has made you my worst enemy

So tell me why you need to feel?

These things that are not real?

Admitting in this...

Love you until now

The Shadows of Our Past

Still nothing in our bags

Cause we couldn't turn ourselves around

The point of no return

Now everything will burn

And nothing but the ash will be where we fell  
The Shadows of Our Past  
Still nothing in our bags  
And this is the moment it all comes down  
(Robotic)  
Yeah  
These things that are not real  
Admitting in this...  
Love you until now  
The Shadows of Our Past  
Still nothing in our bags  
Cause we couldn't turn ourselves around...
