Driven by restrained desire
I want what I need
Shacking as her sex takes hold
I've lost all control

Temptation
Temptation

Drowning in a sea of rage
I taste the embrace
Helpless as it steals my soul
I've lost all control

Temptation
It never lets me down
Temptation
One foot in the ground

We exist in a world
Where the fear of illusion is real
And we cling to the past
To deny and confuse the ideal
Once inside, we conceive
And believe in a god we can't feel

Feel it
I can't feel it
I can't feel

Destined by a fate so cruel
And drugged to delight
Laughing as these lies unfold
I've lost all control

Temptation
It never lets me down
Temptation
One foot in the ground

Temptation
You satisfy my soul
Temptation

I've lost all control
