Iâ€™ve got it all figured out what sheâ€™s all about,
So ill write it on paper, and sing it out loud,
Iâ€™ll never be with her,
Sheâ€™s got a way with words, canâ€™t get away from her,
Sheâ€™s pulling me in just to lock me out,
Cuz thatâ€™s what sheâ€™s all about,
And thereâ€™s no doubt about that

Only in my dreams Iâ€™d be with you, be with you,
I can barely sleep cuz Iâ€™m thinking of those things you
do

Iâ€™ve got it all figured out what sheâ€™s all about,
So ill write it on paper, and sing it out loud,
Iâ€™ll never be with her,
Sheâ€™s got a way with words, canâ€™t get away from her,
Sheâ€™s pulling me in just to lock me out,
Cuz thatâ€™s what sheâ€™s all about,
And thereâ€™s no doubt about that

Only in my dreams Iâ€™d be with you, be with you,

I can barely sleep cuz Iâ€™m thinking of those things you
do
Fall asleep tonight, my heart open wide,
Hoping someday youâ€™ll be there inside,
Only in my dreams, Iâ€™d be with you

And my heart it burns so much when your around,
Cuz Iâ€™m thinking of what we could be

Only in my dreams Iâ€™d be with you, be with you,
I can barely sleep cuz Iâ€™m thinking of those things you
do

Only in my dreams Iâ€™d be with you, be with you,
I can barely sleep cuz Iâ€™m thinking of those things you
do
Fall asleep tonight, my heart open wide,
Hoping someday youâ€™ll be there inside,
Only in my dreams, Iâ€™d be with you

IÂ'd be with you
IÂ'd be with you
