I was driving around with my tailgate down
Got my friends all in the back
We were looking for a late night pick me up
Got my guitar on my lap

Well we stopped at the station just to fill the tank
On my chevy '59
When my phone went off in the passenger seat
There's a party going down tonight

We go crazy, ya we do singin'
Life is a highway, I wanna ride it
All night long
All night long

Down by the river where the party goes
All night long while the river flows

(Na na na na na na na na
Na na na na na na na na)

The musics up and the moon is high
Gonna dance and drink till the morning light comes

(Na na na na na na na na
Na na na na na na na na)

Well Johnny brought out the paint ball gun
And he started up a war
There were fireworks lighting up the sky
And it aint july the fourth

Well the girls took cover by the railroad tracks
While the pig cooked in the ground
People come out to get down tonight
From all across the town

We go crazy, ya we do singin'
Life is a highway, I wanna ride it
All night long
All night long

Down by the river where the party goes
All night long while the river flows

(Na na na na na na na na
Na na na na na na na na)

The musics up and the moon is high
Gonna dance and drink till the morning light comes

(Na na na na na na na na
Na na na na na na na na)

Hey
Hey
Hey
Yeah

(Yeah)

We go crazy, ya we do singin'
Life is a highway, I wanna ride it
All night long
All night long

We go crazy, ya we do singin'
Life is a highway, I wanna ride it
All night long
All night long

Down by the river where the party goes
All night long while the river flows

(Na na na na na na na na
Na na na na na na na na)

The musics up and the moon is high
Gonna dance and drink till the morning light comes

(Na na na na na na na na
Na na na na na na na na)

(Na na na na na na na na
Na na na na na na na na)
