Lets get away for the night
Escape from a world full of problems that might
Steal me apart from you dear
Cause this is our year

Making our way through the town,
Holding our breathe from the smoke that surrounds,
Breathe it in deep, our heartbeats increase,
And the sun will shine
Yeah the sun will shine

When the times are hard
And moneys just make believe
Some days weÂ're singing the blues,
Oh beautiful girl, IÂ'd buy you the world,
IÂ'd fall, falling for you
Falling for you

Sell my soul to the devil,
Writing my name on his cruel burning wall
Working full time and waiting in line,
Getting paid in pennies and dimes,

Cashing the checks week to week,
Spending it all on the places wed be,
The things that weÂ'd do like driving with you,
Round the world again and again

When the times are hard
And moneys just make believe
Some days weÂ're singing the blues,
Oh beautiful girl, IÂ'd buy you the world,
IÂ'd fall, falling for you
Falling for you

When the times are hard
When the times are hard
When the times are hard
When the times are hard

When the times are hard

And moneys just make believe
Some days weÂ're singing the blues,
Oh beautiful girl, IÂ'd buy you the world,
IÂ'd fall, falling for you
I'd fall, falling for you
