First day of the rest of our lives,  
A small town dream, I never dreamt it come alive,  
But it's coming true tonight,  
And oh it's so outrageous,  
I'm coming down cold and my hearts still shaking now,  
You lift my feet up off the ground

It feels so right,  
(Feels so right)  
Cause I'm waking up tonight,  
It feels so right,  
(Feels so right)  
And I won't say goodbye

So we'll run away into the sun,  
And we'll go on and on forever young,  
Run away from this life we live in,  
And make true these dreams we're dreaming,  
On and on, forever young  
Forever young

First day of the rest of our lives,

And we'll go on and on forever young,  
Run away from this life we live in,  
And make true these dreams we're dreaming,  
On and on, forever young

Forever young

At this rate I know that in time,  
I'll sing it loud, I'll sing to you tonight,  
I'll sing to you tonight  
X2

So we'll run away into the sun,  
And we'll go on and on forever young

So we'll run away into the sun,  
And we'll go on and on forever young,  
Run away from this life we live in,  
And make true these dreams we're dreaming,  
On and on, forever young  
Forever young
