Katie baby,
Are you ready for loving me?
Oh cuz IÂ'm ready for loving you,
ThatÂ's all I want to do

Woo!

She was so caught up on the new trends,
I was caught on her, CanÂ't even pretend,
That IÂ'm obsessing and itÂ's so obvious,
I find it funny how I find myself falling in love,

She says the best things at the right time,
SheÂ's got me wrapped around her finger,
I canÂ't unwind,
I swear it happens every time,
Cuz I never thought that sheÂ'd be mine

Katie baby,
Are you ready for loving me?
Oh cuz IÂ'm ready for loving you,
ThatÂ's all I want to do

She was so fresh, smiled bright as the stars,
Dressed to impress that girl she caught me off guard,
And oh, oh letÂ's play the part where I fall so hard,
For you and only you can,
Say the best things at the right time,
SheÂ's got me wrapped around her finger,
I canÂ't unwind,
I swear it happens every time,
And I donÂ't know how to define

Katie baby,
Are you ready for loving me?
Oh cuz IÂ'm ready for loving you,
ThatÂ's all I want to do

And whoa, is this happening?
Is this everything coming true?
Cuz itÂ's happening to me and you

Katie baby,
Are you ready for loving me?
Oh cuz IÂ'm ready for loving you,
ThatÂ's all I want to do

Woo!

Katie baby,
Are you ready for loving me?
Oh cuz IÂ'm ready for loving you,
ThatÂ's all I want to do

ThatÂ's all I want to do,
ThatÂ's all I want to do,
ThatÂ's all I want to do,
Cuz Katie IÂ'm in love with you
