Tiffany, if you wanna be my everything,
Iâ€™ll be yours truly, true as we could be baby

She called me just the other day I know Iâ€™m falling for
her,
And every time she speaks Iâ€™m getting tied up on her
words,
Donâ€™t you know she makes me happy?
She knows exactly what to say sheâ€™s always on my
mind,
My friends are all annoyed; I talk about her all the time,
Cuz everything she does is so right, and thatâ€™s why I
say

Tiffany, if you wanna be my everything,
Iâ€™ll be yours truly, true as we could be,
Tiffany, if you wanna share your heart with me,
I can guarantee Iâ€™ll never leave,
Cuz Iâ€™m hoping that youâ€™re hoping that itâ€™s
happening to you and me

Tiffany, if you wanna be my everything,
Iâ€™ll be yours truly, true as we could be,
Tiffany, if you wanna share your heart with me,

I can guarantee Iâ€™ll never leave,
Cuz Iâ€™m hoping that youâ€™re hoping that itâ€™s
happening to you and me
Itâ€™s happening to you and me

Tiffany, if you wanna be my everything,
Iâ€™ll be yours truly, true as we could be,
Tiffany, if you wanna share your heart with me,
I can guarantee Iâ€™ll never leave,
Cuz Iâ€™m hoping that youâ€™re hoping that itâ€™s
happening to you and me

Iâ€™ve got a crush on you,
Have no clue what to do,
Love what we got into, Ba da da da da da da,
Itâ€™s true, true as we could be,
Iâ€™ve got a crush on you,

Have no clue what to do,
Love what we got into, Ba da da da da da da,
IÂ'm hoping that youÂ're hoping thatÂ's its happening
to you and me
Ooh, itÂ's happening to you and me,
Ooh, itÂ's happening to you and me
