i believe there is something in this world that really matters i believe in something true..i believe in you i believe that if 1 has hope there is a higher power..all he ever wants from you is for your faith to be true

why 're all these children crying why 're all these people dying why 're all these nations fighting why yooo

why all our brothers fighting why all our sisters dying all we can do is keep trying hold onnn

why don't you believe you 'v got to believe i 'v got to believe we should all believe x2

i believe..you 'v got to believe we should all believe why don't you believe i 'v got to believe you 'v got to believe we should all believe why don 't you believe

i believe that everyone needs someone that they can hold onto this world would change and wouldn't be the same if we had someone to talk to

they say if you believe in love you'll never want to be lonely then why do i feel this way?..it's so harder on you

why 're all these children crying why 're all these people dying why 're all these nations fighting why yooo why all our brothers fighting why all our sisters dying all we can do is keep trying hold onnn

why don't you believe you 'v got to believe i 'v got to believe we should all believe x2

i believe there is something in this world that really matters i believe in something true..i believe in you i believe that if 1 has hope there is a higher power..all he ever wants from you is for your faith to be true

why don't you believe you 'v got to believe i 'v got to believe we should all believe x4
