Jesus come
And stand
By my side
I feel so alone
I need you to help me
Take a firm stand
Please lord come and hold my hand

I need your loving arms around me
To lift me up when fall down
I need your love you love is forever
And you have enough to go around me

Lead the way lord thy God
So IÂ'll never go astray
Come and hold my hand

Protect me with you shield
So no harm will come my way
So no harm will come my way
Please lord come and hold my hand

I need your loving arms around me
To lift me up when fall down
I need your love you love is forever
And you have enough to go around me

Ooh oh hallelujah
Oh I need your love,
hallelujah
