You're the answer to all need I know,
You're the only one i need
You gave me life
You gave me hope, dararara da da rara
You keep me, coming back, coming back, coming back
You keep me, coming back, coming back, coming back
You keep me, coming back, coming back, coming back
You keep me, coming back, coming back, coming back
There was no other good enough
To pay the price of sin
You only could unlock the gate of heaven and let us in
You keep me, coming back, coming back, coming back
You keep me, coming back, coming back, coming back
You keep me, coming back, coming back, coming back
You keep me, coming back, coming back, coming back
May the peace of God my father
May the love of Jesus fill me
As the water fill the sea, uu yeah,
May the peace of God my father
Live in me from day to day
By his love and power control all I do
uu yeah!

There was no other good enough

To pay the price of sin

He only could unlock the gate of heaven and let us in

My hope I cannot measure

My path to life is free

My saviour has my treasure and he will walk with me
always

You keep me, coming back, coming back, coming back

You keep me, coming back, coming back, coming back

You keep me, coming back, coming back, coming back

You keep me, coming back, coming back, coming back
