

Feet For Wings "A Colder Stone"

We've seen the eloquence of time
Draw you swiftly to the line
There I saw a warning sign
Exposing all of your lies

But who are we to judge?
But who are we to judge?

I stepped onto a colder stone
It wore my feet down to the bone

And there we watched the morning sun
And watched our shadows fall as one

But who are we to judge?
But who are we to judge?

Ohhh
Ohhh
Ohhh

We've seen the eloquence of time
Draw you swiftly to the line.
