Love's gone away again
Now it's just a lonely friend
Who I'll send a card at Christmas,
Or when I'm away

She's gone away again
Now she's just a lonely friend
Who I'll send a card at Christmas
Or from far away

Cuz you're just a white lie
You'll never stand by my side
And you're just a white lie
Cuz you've gone away

Oh, love's gone away again
Now it's just a lonely friend
Who I'll send a card at Christmas,
Or when I'm away
She's gone away again
Now she's just a lonely friend
Who I'll send a card at Christmas
Or from far away

Cuz you're just a white lie
You'll never stand by my side
And you're just a white lie
Cuz you've gone away

And I just can't stand by
And see you win your whole life
And I just can't stand by
When you walk away

Love's gone away again
Now it's just a lonely friend
Who I'll send a card at Christmas,
Or when I'm away
