

Feet For Wings "The Water Song"

Visit "[The Water Song](#)" on MotoLyrics.com

Work the land but flood their house
Watch the water rise to your mouth
Feel suffocation
Watch the wallpaper swim
My death does not define the end of the line

Water, take me home
Current, guide me alone
Streams of destruction
Water, take me home

INSTRUMENTAL

Take my hand; let me show you
A garden where love grows like fruit
Sunlight glistens, someone listens to music so sweet
Clear crystal tears fall to my feet

Water, take me home
Current, guide me home
Streams of destruction
Water, take me home
