So here I'm standing  
Crawling my way back home  
Thoughts are fading  
To sometime when I felt warm

Served you so well entertained you  
Gave it all to see your face  
I have fallen I have died here  
Just so I could leave this place

Fallen heroes fallen idols  
My shoes cannot be filled  
Fallen heroes falling idols  
Your soul cannot be killed

So now I lay here safer beneath your feet  
All my troubles fall away with each defeat  
Hold my head up as my heart fails  
To live up to what I've done  
Touch is so sweat, as I leave you  
Will you remember me when I'm gone

Fallen heroes fallen idols  
My shoes cannot be filled  
Fallen heroes falling idols  
Your soul cannot be killed

Did you love me did you hate me  
Did you live to watch me fall  
Have I saved you have I bored you  
Am I greater and now I'm gone

Fallen heroes fallen idols  
My shoes cannot be filled  
Fallen heroes falling idols  
Your soul cannot be killed (x2)
