"Better Than Me"

Visit "[Better Than Me](#)" on MotoLyrics.com

You wanna think
You're better than me
And I don't think
You're better than me
Why don't you stay away
Why don't you stay away

You give a damn
You're better than me
You're a man
You're better than me
Why don't you stay away
Why don't you stay away
From what you say and do
Don't you think there's something wrong with you

You get a job
You're better than me
And I'm a slob
You're better than me
Why don't you stay away
Why don't you stay away
'Cause I don't even care
I don't think you're really even there
Even there

You comb you hair
You're better than me
You're aware
You're better than me
Why don't you stay away
Why don't you stay away...
