started from the basement swear
now everybody wanna stop and stare
I built this life ground up
and no one can take it from me
I remember donating plasma
wanted nice things couldn't have em
now all of thats changed for me
let me tell ya thats humbling
but now I got it like that
mind focused on the next 10 stacks
might hit the mall spend a couple grand
cuz I know its coming right back
im about fast cash im about money
haters wanna talk but I aint say nutting
I just let the benjamins talk for me hundreds
chillin vip sippin good with the honeys
sold out shows
cripsy clothes
designer shades on
so you already know
im about fast cash im about money money money fast
cash
never had a silver spoon
thats why I always stay hungry
cuz im always on my grind
24/7 money on my mind
eliminated all distractions
now its camera lights and action
action action oh yeah
but now I got it like that
mind focused on the next 10 stacks
might hit the mall spend a couple grand
cuz I know its coming right back
im about fast cash im about money
haters wanna talk but I aint say nutting
I just let the benjamins talk for me hundreds
chillin vip sippin good with the honeys
sold out shows
cripsy clothes
designer shades on
so you already know
im about fast cash im about money money money fast

cash
