I can hear the '
In the middle of traffic
And I know what would be happen if I was better then
you
If I was telling the truth
But I' done

With out my miss behavior
And I know I shouldn't say this
But I couldn't blame you
If you want to move to the farest countries
So I couldn't find you
But I keep searching you girl
Cause I wanna make you worth
And I know that I hurt you
But I'm not giving up
Cause you are so perfect
I know I never notice
But it took one time 'till I see you cry
And I know I push to back
But let me find you on this map
Baby I find my way
Baby I find my way
Way, way
Baby I find my way
Way, way
Baby I find my way
Way, way
Baby I find my way
Way, way
Baby I find my way
Way, way
Baby I find my way
Way, way
Baby I find my way
Way, way
But if it takes all night then damn
Baby I find my way
Way, way
When the sun stop shining
I've been looking for you
Every step I make it's good
Girl I wanna find you
I cross the ocean
Girl I'm swimming closer
