Out of it and out of time
And out of everything
I can't believe it's true
And I can't believe I can't believe in you

You've gone away
And I am already looking for a way
And I know that I can't
Waste another day

Is it all okay? [4x's]

*Give it all or go away
I gave it everything I had
I'm feeling free
And I'm happy now I'm really gonna be*

*I'm feeling great
Maybe all my memories will go away
And now maybe I can face
Another day*

[Repeat Chorus]

*Do me right boy
I never felt so bad
You think you're great boy
But now it makes me sick to think
About the words you spoke
Through your old wicked face*

[Repeat Chorus]

Is it all okay or not?
