all the girls chosen which do I want
skinny lil dress pair of high heels on
all black on thats my type of party
all black on thats my type of party
couple bad chicks and they sippin on bacardi
got my eye on you right now
take you back to the crib you know its going down
If you got a man where he at tonight?
all wanna know is do you wanna spend the night?
this conversation leads to
whole lotta freaking with you
tell me are you with it
cuz I wanna give it
like u never had in your life
