We've been apart sometime I know it's crazy
Thinkn back on days that you used to call me baby
And it hurts so bad I can't put into words
What this is doing to my soul ooo
Tried so hard and I've done everything I can to get you
off of my mind
When I'm almost free you come around and then mess
with my mind
That's so unfair
Why would you do this me to me
I can be your lover or I can be your best friend
All you gotta do is make up your mind
Cuz what you're putting me through is an emotional
hell
Someone call 911 I think I need some help
In the State of Emergency Emergency
I won't survive if we keep on going this same way
Cuz in this State of Emergency Emergency
I can't be myself and things are so messed up
In this State of Emergency Emergency
I wish you could see what your doing and what is real
To be on the other side let me tell you how it feels
Girl it hurts so bad I can't put into words
What this is doing to my soul
Tried so hard done everything to get you off of my
mind
When Im almost free you come around and then you
mess with my mind
That's so unfair
Why would you do this me to me
I can be your lover or I can be your best friend
All you gotta do is make up your mind
Cuz what you're putting me through is an emotional
hell
Someone call 911 I think I need some help
In the State of Emergency Emergency
I won't survive if we keep on going this same way
Cuz in this State of Emergency Emergency
I can't be myself and things are so messed up
In this State of Emergency Emergency
ah ah State of Emergency
ah ah State of Emergency

ah ah girl what you're doing to me
ah ah You don't even see
I can be your lover or I can be your best friend
All you gotta do is make up your mind
Cuz what you're putting me through is an emotional
hell
Someone call 911 I think I need some help
In the State of Emergency Emergency
I won't survive if we keep on going this same way
Cuz in this State of Emergency Emergency
I can't be myself and things are so messed up
In this State of Emergency Emergency
