I know that you've been in school all week (all week)
And working that job part time too
I hardly get a chance to see ya

And knowing me I'm probably in the studio
Working on somethings
That I can't wait to show you

You've got more than 5 things on your mind (on your
mind)
I've got more than 15 things on my mind (on my mind)
But that doesn't mean a thing, cuz tonight it's you and
me (me)
It's all about us painting the town tonight

Baby girl it's the Weekend
Just tell me what your drinkin'
Girl you can have whatever cuz it's on me tonight

Baby girl it's the Weekend
But before we get the freakin'
We're gonna have a good time (a good time)

Baby girl it's the Weekend (ahh)
The Weekend (ahh)
The Weekend (ahh)
Baby girl it's about me and you

It's the Weekend (ahh)
The Weekend (ahh)
The Weekend (ahh)

I can't wait cuz it's thursday night (day night)

On the phone making plans with you of what we're
gonna do with the
Weekend
(Forget about) Your stress
(And forget about) The complications
Cuz this Weekend is about me and you

Baby girl it's the Weekend
Just tell me what your drinkin'
Girl you can have whatever cuz it's on me tonight

Baby girl it's the Weekend
But before we get the freakin'
We're gonna have a good time (a good time)

Baby girl it's the Weekend
Just tell me what your drinkin'
Girl you can have whatever cuz it's on me tonight

Baby girl it's the Weekend
But before we get the freakin'
We're gonna have a good time (a good time)

Baby girl it's the Weekend (ahh)
The Weekend (ahh)
The Weekend (ahh)
Baby girl it's about me and you

It's the Weekend (ahh)
The Weekend (ahh)
The Weekend (ahh)
It's the Weekend
