1, 2, 1, 2, 3,

We can build a fort out of pillows in our living room  
Play tag in the kitchen like we used to do  
I can hide, you seek come find me.

We can take our bikes to the park you know the one  
downtown?  
And we can swing on the swings until the sun goes  
down.  
Nothings changed with age.

(Chorus)  
You're still as lovely as the first day  
I told you my mama you'd me mine one day  
I'd be you're everything, could not wait

I'm so happy to say I was right  
Cuz you... are the only for me  
I've known for so long

And you... make me feel right, child like  
I'm right where I belong... with you

Teach me how to jump rope  
I can teach you how to climb  
Play ball, then you can help  
Me color in the lines.

Always knew... we'd make a great team.  
I can be the cop, you're the robber since  
You stole my heart or red rover, I can  
Rap you in my arms... or play house...  
In our house

(Repeat chorus)

Pigtails and hand me downs...  
Couldn't disguise what you'd be  
I see you then as I see you now...

Perfect, lovely, worth it to me...  
All I ever need  
Cuz you... are the only for me

I've known for so long  
And you... make me feel right  
Child like  
I'm where I belong with you
