baby, i love you i never want to let you go the more i think about the more i want let you know that everything you do is super fucking cute and i cant stand it.

ive been searching for a girl thats just li-ike you cause i know that your heart is true

baby, i love you i never want to let you go the more i think about the more i want let you know that everything you do is super duper cute and i cant stand it

lets sell all our shit and run away to sail the ocean blue then you'll know that my heart is true yeah

baby, i love you i never want let you go the more i think about the more i want let you know that everything you do is super duper cute and i cant stand it

you-ou you got me where you want me

cause ill do-o anything to please you just to make it through another year

you-ou i saw you cross the room and i knew-ew that this was gonna blossom into something beautiful you're beautiful

baby, i love you i never want to let you go the more i think about the more i want let you know that everything you do is super duper cute and i cant stand it

baby, i love you i never want let you go the more i think about the more i want let you know that everything you do is super duper cute and i cant stand it

baby, i love you i never want let you go the more i think about the more i want let you know that everything you do is super duper cute and i cant stand it

and i cant stand it no i cant stand it.
