If timing's everything  
Stop telling me you're taking your time  
I know you're anxious  
But you're running your mouth  
Like your five years old again  
It's so hard to pretend

Like I know everything  
I don't know anything  
I wanted you to see

I'll sit back and I'll watch the show  
Yeah, I'll watch the show  
And I'll lay awake and I'll watch the stars  
As they collide

Yeah, my eyes, they don't see  
And I don't breathe the way I used to  
Yeah, my lips, whoa, they don't sing  
And I won't be the way I was on that night

Steady breathing is all I can advise  
To a girl with a sweet tooth for revenge  
I know I'm crazy but it's so hard to pretend

Like I know everything  
I don't know anything  
I wanted you to see

I'll sit back and I'll watch the show  
Yeah, I'll watch the show  
And I'll lay awake and I'll watch the stars  
As they collide

Yeah, my eyes, they don't see  
And I don't breathe the way I used to  
Yeah, my lips, whoa, they don't sing  
And I won't be the way I was on that night

It's the night everybody agreed I was wrong about you  
I told them you were being so strong  
I knew you were a liar

I knew you were a liar from the start

It's the night everybody agreed I was wrong about you  
I told them you were being so strong  
I knew you were a liar  
I knew you were a liar from the start

Don't treat me like I'm playing a game  
'Cause baby, I don't want to lose  
Baby, I don't want to risk it all for you

And my eyes they do see  
And I don't breathe the way I used to  
Yeah, my lips, they don't sing  
And I won't be the way I was on that night
