"Heregoesnothin"

Check, check one-two
Alright, here goes nothin'

If timing's everything stop telling me you're taking your
time
I know you're anxious but you're running your mouth
like you're five years old again
It's so hard to pretend

Like I know everything, I don't know anything
I wanted you to see (that I got nothin')
I'll sit back and I'll watch the show (yeah I'll watch the
show)
And I'll lay awake and I'll watch the stars as they collide

And my eyes, they don't see
And I don't breathe the way I used to
Yeah my lips (woah), they don't sing
And I won't be the way I was on that night

Steady breathing is all I can advise to a girl with a
sweet tooth for revenge
I know I'm crazy but it's so hard to pretend

Like I know everything, I don't know anything
I wanted you to see (that I got nothin')
I'll sit back and I'll watch the show (yeah I'll watch the
show)
And I'll lay awake and I'll watch the stars as they collide

And my eyes, they don't see
And I don't breathe the way I used to
Yeah my lips (woah), they don't sing
And I won't be the way I was on that night

It was the night everybody agreed I was wrong about
you
I told them you were being so strong
I knew you were a liar, I knew you were a liar from the
start

It was the night everybody agreed I was wrong about
you
I told them you were being so strong
I knew you were a liar, I knew you were a liar from the
start

Don't treat me like we're playing a game 'cause baby I
don't wanna lose
Baby I don't wanna risk it all for you

And my eyes, they don't see
And I don't breathe the way I used to
Yeah my lips (woah), they don't sing
And I won't be the way I was on that night

Yeah my lips (woah), they don't sing
And I won't be the way I was on that night
