If timings everything
stop telling me you're taking your time
I know you're anxious
But you're running your mouth like you're five
Years old again
It's so hard to pretend

Like I know everything
I don't know anything
I wanted you to see
That I got nothing

I'll sit back and I'll watch the show yea I'll watch the
show
I'll lay awake and I'll watch the stars as they collide

My eyes they do see
I don't breathe the way I used to
My lips, whoa, they don't sing
I won't be the way I was on that night

Steady breathing is all I can advise
To a girl with a sweet tooth for revenge
I know I'm crazy but it's so hard to pretend

Like I know everything
I don't know anything
I wanted you to see
I'll sit back and I'll watch the show yea I'll watch the
show
I'll lay awake and I'll watch the stars as they collide

My eyes they do see
I don't breathe the way I used to
My lips, whoa, they don't sing
I won't be the way I was on that night

Was the night everybody agreed I was wrong about you
I told them you were being so strong
I knew you were a liar
I knew you were a liar from the start
(x2)

Don't treat me like I'm playing a game
Cause baby I don't want to lose
Baby I don't want to risk it all for you

My eyes they do see
I don't breathe the way I used to
My lips they don't sing
I won't be the way I was on that night
