Jane Doe, I don't even know you but I know fo sho that
you are beautiful so baby let me know your name.

Damn what's her name? 'Cause I'm overly attracted
and terribly convinced that she could be my princess
and I could be her prince. And, I've felt that way since,
since I saw Jane Doe.

Jane Doe, I don't even know you but, I know fo sho that I
could get to know you if you let me know your name.

Damn what's her name? 'Cause I'm overly attracted
and terribly convinced that she could be my princess
and I could be her prince. And I've felt that since, since
I saw Jane Doe.

She's everything I want and more. She's everything I
want for sure.

She's everything I want to adore, and baby I am overly
attracted and terribly convinced that you could be my
lover, but I think I lost my chance. You had me at first
glance.

Oh, my Jane Doe.
