Do you think that you could last one whole day
without makin' a peep, chimin' into what the people
say?
Do you think that you could last one whole day
without makin' a peep, chimin' into what the people
say?
I don't think so

I know someone downtown who'll let us drink for free
the best moments in life are always cheap
I gotta couple of tricks hidden up my sleeve
Spend the night with me, then you'll know what I mean!
I got 69 problems, but a witch ain't one
She's been casting spells but I've fallen in love
I gotta white bunny rabbit hidden up my sleeve
Spend the night with me, then you'll know what i mean!

without sleepin' a wink, stayin' out under the
moonlight?
