A poor man would kill for the bank,
But a rich man would die for it.
If that's the case,
then my money in this race
is the last place I waste time.

Cause Time is money and money breaks hearts,
but you can buy yourself a new girlfriend.
She'll be a cold-eyed woman with a greedy eye
waitin' for your old ass to die.

(Chorus)

I'm so happy here with you
Cause your my type of girl
You never cared about my empty piggy bank
Or the things we could never do
(Uh huh)

So give to the poor and pray for the rich
Cause you never know when your heart's gonna quit
If you're working for a paycheck you better cash in
Cause life's to short to never have lived

(Chorus)

And I'm so happy here with you
Cause your my type of girl
You never cared about my empty piggy bank
Or the things we could never do
(Uh huh)

See I've been working my whole life
to prove the pissy people wrong,
That you can earn an honest living
with an old guitar and a couple of action songs

(Guitar Solo)

(Chorus)

I'm so happy here with you
Cause your my type of girl
You never cared about my empty piggy bank
Or the things we could never do

(Uh huh)
