i got this new girlfriend
She likes waking up early insted of sleeping in
And how she loves me for the dumb that i truly am
ive got this new girlfriend

And honestly i probly shouldnt even call her man
she so divine but shes so coo coo and the same damn
time

And i cant understand why it is taking so much time
to see this small town girl is the catch of a life time

She dont even know just who i am
no
She dont even know just where ive been
no

And every broken promise that i ever made
i promise you
From the deepest darkest corner of my heart just
know
my love is true

She dont even know

I've got this new girlfriend
She likes scary movies and holding my hand
And how she loves me for the fuck up that i truly am
I've got this new girlfriend

And honestly i probly shouldnt even call her man
she so divine but shes so coo coo and the same damn
time

And i cant understand why it is taking so much time
to see this small town girl is the catch of a life time

She don't even know just who i am
no
She don't even know just where ive been
no

And every broken promise that i ever made
I promise you
From the deepest darkest corner of my heart just
know
my love is true

She don't even know

I've got this new girlfriend
I never thought id fall in love again
but how she loves me for the broken heart i truly am
I've got this new girlfriend
