And if I was a sailor,
I'd sail the seven seas
To tell you baby
I don't want you to leave.
You see, this world is such a sad place
Wnd without your pretty face
I'm sure it's going to wind up much worse.

And I know that you'll see someday
That I can't live without you.
And I know what I say is true
Cause I'm still stuck on you, girl.

I'm in love
From the first time I laid my
Eyes on you
Shoo do do do do, do.
There's nothing I can do
And I'm in love
From the first time I laid my
Lips on yours.
Now your walking out my door.
And there's nothing I can do

And if I could explore the world,
I'd bring you along.
We'd go to New York to Timbuktu.
But truly I'm set right here
In Denny's drinking coffee
And sharing a cigarette.

And I know that you'll see someday
That I can't live without you.
And I know what I say is true
Cause I'm still stuck on you, girl.

I'm in love
From the first time I laid my
Eyes on you.
Shoo do do do do, do.
There's nothing I can do.
And I'm in love

From the first time I laid my
Lips on yours.
Now your walking out my door.
And there's nothing I can do.
I'm in love with you.
