If you're looking for me,
I suggest you look in the last place
that you will ever find me.
Cause I am going out with all my friends tonight,
for once.
And if you can do one whole thing,
then I suggest you go out too.
And smile up a storm,
'cause we're all as sad as you think you are,
So just smile.

See I've been lookin up, lookin down,
lookin side to side
Wondering why this world is the way it is
and why my mama cries.
Every night when I'm tryin
to rest my head on the floor,
half stoned, thinking damn this shit gets old.
Wooo ba da da da da...

So if you have a problem,
I thoroughly suggest you look within.
Before you go and blame someone,
who's been blaming someone else their whole life.
And I know we all got problems,
but we got a bigger problem,
we are falling into pieces.
And our power hides the knowledge,
we've been working our whole damn lives.
But for what...for them?
See I've been lookin up, lookin down,
lookin side to side.
Wondering why this world is the way that it is,
and why my mama cries.

Every night when I'm tryin to rest my head on the floor,
half stoned,
thinking damn this shit gets old. Wooo ba da da da
da....
