I'm in trouble I'm an addict  
I'm addicted to this girl  
She's got my heart tied in a knot  
And my stomach in a whirl  
But even worse I cant stop calling her  
She's all I want and more  
I mean damn,  
What's not to adore

I've been playing to much guitar  
I...I've been listening to jazz  
I called so many times  
I swear shes going mad  
And that cellular-er will be the death of us  
I swear, I swear

And oh oh oh oh oh oh oh  
Ooh ooh ooh

I,m running my mouth just like I got her  
But I surely don't  
Because shes so-o-o-o-o-o-o  
Rock and roll!  
And out of my league  
Is she out of my league?  
Lets hope...not

I'm in trouble  
I'm so clichÃ©

See that word just wares me out  
Makes me feel like just another boy  
To laugh and joke about  
But even worse I cant stop calling her  
I love to hear that voice  
And honestly, I'm left with no choice

I've been playing to much guitar  
I...I've been listening to jazz  
I called so many times  
I swear she's going mad  
And that cellular-er will be the death of us

I swear, I swear

And oh oh oh oh oh oh oh  
Ooh ooh ooh

I'm running my mouth just like I got her  
But I surely don't  
Because shes so-o-o-o-o-o-o  
Rock and roll!  
And out of my league  
Is she out of my league?  
Lets hope not

And oh oh oh oh oh oh oh  
Ooh ooh ooh ooh ooh ooh oh
