I've been caught at the scene of the crime;
I'm in love with a woman, but the woman's not mine..
She's tied a knot with an acquaintance,
See I'm doing my best to be patient.
See I wrote her a song, but she wasn't impressed
She's nonchalant, but she's so well-dressed.

I'm in love, with bad timing,
She's in love; the knot's unwinding.
I'm in love, and I'm sorry.
Yeah I'm sorry, Ohhhhh.

Is it driven by selfish ambition?
I feel like a traitor, on a patriot's mission.
It ain't life, it ain't death, but it's love-love-love..
I'm in love with a woman, but the woman's not mine..
She's tied a knot with an acquaintance,
I'm doin' my best to be patient.
But see I wrote her a song, but she wasn't impressed.
She's nonchalant but she's so well-dressed.

I'm in love, with bad timing,
She's in love; the knot's unwinding.
I'm in love, And I'm sorry that I fell..
I'm sure he treats you very well..
I hope to see you soon..
I've been howling at the moon..
-Howl-
Call me if you can..
I want to be your man.

I'm in love, with bad timing..
She's in love; the knot's unwinding..
I'm in love.. and I'm sorry.
Yeah I'm sorry..Ohhhhh.
