I see that,
You got the gun made me realize, that I hold the
trigger
Both of us knowing weÂ're both alike, weÂ're both
digging deeper
I could, hold you for ransom or free you
Yes free you from mind
And everyoneÂ's singing like everythingÂ's
Like everythingÂ's fine
I donÂ't want to change for sake of change
I donÂ't wanna bring back yesterdays
I donÂ't wanna know whoÂ's who whatÂ's what just
gimme that goddamn truth today

You can,
Toy with that army or maybe youÂ'll
YouÂ'll play with your soldier
YouÂ're, youÂ're getting your back up but yet you know
YouÂ'll never get over
Your, your people unanswered adverse yes theyÂ're
Adverse, overthrown itÂ's a,
A coup d'Ã©tat by the few yes the gracious

The gracious bold

I donÂ't want to change for sake of change
I donÂ't wanna bring back yesterdays
I donÂ't wanna know whoÂ's who whatÂ's what just
gimme that goddamn truth today
I donÂ't want to change for sake of change
I donÂ't wanna bring back yesterdays
I donÂ't wanna know whoÂ's who whatÂ's what just
gimme that goddamn truth today
Ooh today.

YouÂ're Heartless, Gold Diggin got them Diamonds
Forever
Them white folks been singing your blues they love ya
dressed up in leather
YouÂ're forever the freshman aint no graduate to be
seen
Hey brother, them white folks keep spending on you

Hey mama, he squeaky-clean.

All I hear is all I hear is all I hear is all I hear is all
