Carnage

Words by Diego Garc a

(2 Screams)

Verse 1

Encaged the fear: amusement, let s play it for the  
blood

Let s paint it black and red, let s paint it red and  
black

The people s chant for assassins, match their need  
for sodomy

Aggressive murderers, sadistic souls, sadistic men

Chorus

Carnage(x4)

Verse 2

The show begin screaming, one life had ended here  
It s just the first, it s just someone, the werewolves  
(are) running near

The guts are on the wall, the victims on the floor  
There s no escape, no easy road, Gangrel rules the  
world

Chorus

Carnage(x4)

Bridge

This place is always ruled, ruled by rabid dogs  
Soulless beasts who can defeat, your all mighty god  
Be afraid if you re not dead, cause we will hunt you  
down

Run away, we ll go for you, the carnage has begun

Verse 3

There's no one left standing, werewolves all around  
The amps are covered now in blood, the guitar's  
screaming sound

The pit of beasts starting, the band that comes from  
hell  
Welcome brothers to the show, we are the werewolves  
from hell

Chorus

Carnage(x4)
