Metal Hunters

Words by Diego Garc a

Verse

//We re sons of rust and blood// And we lived that way  
//Our souls are made of steel// That s why they call us  
insane  
//born with distortion beat// and I ve never  
complained  
Born of boiling blood heavy metal thrash try to get out  
alive

Bridge

((Hey Hey)) (x4)

Verse

//We re soldiers now my friends // C mon and  
charge now your guns  
//Bullets are now strings // and they cut off the flesh  
//The moon show us our way // We are children of the  
damn  
Born of boiling blood heavy metal thrash try to get out  
alive

Bridge

((Hey Hey)) (x4)

Chorus

((We are)) the metal hunters  
Our blood is boiling up

The fists are hitting harder  
For this life we sold our souls  
((You are)) the metal hunters  
massive destruction beings  
with leather chains and metal  
C mon now we ll rule this world

(solo)

Run if can  
Show No mercy  
Join the Clan
