The Screamer

Words by Diego Garc a

### Verse 1

The last thing they hear was me screaming their names  
Call me a psycho and die by my way  
I walk through death  
God fear my guts  
I  m just a bishop of pain

This is a story of violence and pain  
I killed two hundred, I must be insane  
I  ll write your name  
Down in my pile  
I  ll put you down in the buried alive

### Chorus

You will never catch me  
Fools die, die by me

I am damn superior  
Call me the  
Screamer!!

### Verse 2

I don  t like the shadows, the silence, to wait  
I run with the knife and screaming their names  
Cops will arrive  
Too late to the scene  
I  ll be just running away

I am the screamer cause that  s what I do  
By cutting the flesh found something to do  
I know who are you  
And where do you live  
Begin paranoia  
Next victim you  ll be

### Chorus
