Who you gonna call when it's late at night  
Who you gonna run to when you can't hide  
If you want somebody by your side  
Let it be me

Who you gonna tell all your secrets to  
Who's gonna walk through this world with you  
Need someone to make your dreams come true  
Let it be me

Chorus  
Ooo ooo ooo ooo  
All I wanna be is every little thing you need  
Ooo ooo ooo ooo  
So if you're searching for the missing piece  
Let it be me

I would never ever let you down  
So you ain't gotta worry about that now  
Let me show you what loves about  
Let it be meeee, baby

Chorus  
Ooo ooo ooo ooo  
All I wanna be is every little thing you need  
Ooo ooo ooo ooo  
So if you're searching for the missing piece  
Let it be me, ahh, let it be me baby

I know promises are hard to keep  
But I'm betting on forever for you and me  
Who's name you gonna carve in an old oak tree  
Let it be, let it be, me now baby

Chorus  
Ooo ooo ooo ooo  
All I wanna be is every little thing you need  
Ooo ooo ooo ooo  
So if you're searching for the missing piece  
Let it be me, let it be me
