I can't sleep
I can't eat
If I give them what they want then
Will they just let me be
Who I am?
I'm not like them
I'm sick of nodding my head
At the things that I can't stand
This is it
Oh, my friends
I've tried so hard
But I cannot pretend

Cross my heart
Hope to make it out alive
Their helping hands
Look more like suicide
If I don't make it out
Remember that I tried
Cross my heart
I hope to breathe this time

Day by day
Night by night
I sat alone with pen and page
Trying to do what's right
God, I pray
Shed some light
'Cause if I burn

I want to burn out bright

Cross my heart
Hope to make it out alive
Their helping hands
Look more like suicide
If I don't make it out
Remember that I tried
Cross my heart
I hope to breathe this time

You make all things new

And no one needs it like I do
You know I do
Oh, You make all things new
And no one needs it like I do
I need You

(x2):
Cross my heart
Hope to make it out alive
Their helping hands
Look more like suicide
If I don't make it out
Remember that I tried
Cross my heart
I hope to breathe this time
