Why would anybody want to fall in love?
My hands get sweaty and I trip up on my words
I'm telling bad jokes and I swear that I get on my own
nerves
Why would anybody want to fall in love?

Chorus

I can't help it, I can't help it, I can't help it, when I'm with
you

Why would anybody want to fall in love?
Saying goodnight has never been so tough
We talk until my cellphone's dead; I still can't get
enough

Why would anybody want to fall in love?

Chorus x2

I can't help it, I can't help it, I can't help it, when I'm with
you

Why would anybody want to fall in love?
I'm doing all the things I never thought I'd do
My friends all think I'm crazy,
well I'm crazy about you

Chorus x7

I can't help it, I can't help it, I can't help it, when I'm with
you
