Verse 1:

Hit the road for a night drive
Windows down on the shoreline
Caught up in the way you laugh
I capture it like a photograph

I wanna know what you're thinking
I wanna know what you're feeling
Maybe she's playing hard to get
I haven't figured her out quite yet

But all I know
Is I'm here
And I'm ready

Chorus:

Tell me are you in or out
We got so much to talk about
Are you in?
Or are you out?

Verse2:

This night's moving too fast
We're trying to make it last
Singing loud to chasing cars
Lay here and watch the stars
Until we fall in love

Chorus:

Tell me are you in or out
We got so much to talk about
Are you in?
Or are you out?

Tell me are you in or out
I don't want to live without
Are you in?
Or are you out?

Bridge

We enter the sand and we jumped in the waves

I got lost in your eyes and I stayed there for days
You're hair in the wind and my heart in your hand
Trying my best to make you understand
You're beauty is blinding but now I can see
There's never been anyone better for me
Give me a shot and I'll give you the world
If you let me

Chorus:

Tell me are you in or out
We got so much to talk about
Are you in?
Or are you out?

Tell me are you in or out
I don't want to live without
Are you in?
Or are you out?
Are you in?
Or are you out?
Are you in?
Or are you out?
