Say, when you're down, and you're confused
And you don't remember, who you're talkin' to
And your concentration, oh it slips away
'Cause your baby is so far away

Chorus:

Well there's a rose, in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love, honey
Love the one you're with...

Don't be angry, don't be sad
Don't sit cryin', talkin' about the fun you had
you got somebody, right next to you
And they're just waiting, waiting, waiting for
something to do

Chorus

shoo do do do do do do do etc.

keys solo

Turn all your sorrows oh turn them into joy now
She's a girl, and brother man you're a boy
oh well you get it together, oh and you can make it nice
oh and You wont need, nobodys advice

Chorus

keys solo

You can't always get what you want,
You can't always get what you want,
You can't always get what you want,
But if you try and you keep on a-praying
I know, I know, I know
?gonna get what you need!

I saw the girl yesterday at the reception
She was just standing there, (she looked so pretty too

y?all) she had a drink in her hand.
But I could tell by the way, I had a funny feeling she
was talking to me,
And the girl had found herself, she found herself
another man.

You can't always get what you want,
You can't always get what you want.
You can't always get what you want
(adlib)
Keep trying, keep praying and I know
Gonna what you need!
