Hey, where have you been?
Where did you go looking for innocence?
Shame is holding you down, selling you out,
Won't you come back again?

'Cause you've found a way to go on for days,
Pretending to live.
But you are not OK with all of that weight,
You need to give up.

Come now, just let it go,
Let it fall down, let it all flow like,
The water that's rushing in over your soul 'til there's
nothing left.
Won't you come to me and rest?

Hey, I know that you're scared to look in my eyes,
When you know that something's wrong.
I'll wait as long as it takes, for you to find grace,
It's been here all along.

'Cause you've found a way to go on for days,
Pretending to live.
But you are not OK with all of that weight

You need to give up.

Come now, just let it go,
Let it fall down, let it all flow like,
The water that's rushing in over your soul 'til there's
nothing left.
Won't you come to me as you are...

Dirty and broken with all your scars,
From all the unspoken.
With all the words that you wanted to say,
But you locked them away inside.

Come now, just let it go,
Let it fall down, let it all flow like,
The water that's rushing in over your soul 'til there's
nothing left..

Come now, just let it go,
Let it fall down, let it all flow like,
The water that's rushing in over your soul 'til there's
nothing left.
Won't you come to me and rest?
