Say they let you down
IÃfÂçâ, -Â™ ve been there
I have felt it too
You are not alone
DonÃfÂçâ, -Â™ t worry
IÃfÂçâ, -Â™ ll never let him talk to you that way again

{Chorus}

You can stay in my arms
Till the morning comes
IÃfÂçâ, -Â™ ll sing this song for you
Stay till the morning comes again
You can stay in my arms
Till the morning comes
Until this storm is through
(Stay) Till the morning comes again
IÃfÂçâ, -Â™ ll be by your side

People are the same
WeÃfÂçâ, -Â™ re broken
Full of hurtful words
They donÃfÂçâ, -Â™ t see you like
I see you
Cause if they did,
TheyÃfÂçâ, -Â™ d know how much youÃfÂçâ, -Â™ re
worth

{Chorus}

You can stay in my arms
Till the morning comes
IÃfÂçâ, -Â™ ll sing this song for you
Stay till the morning comes again
You can stay in my arms
Till the morning comes
Until this storm is through
(Stay) Till the morning comes again
IÃfÂçâ, -Â™ ll be by your side

{Bridge}

And IÃfÂçâ, -Â™ ll be your safest place
IÃfÂçâ, -Â™ ll be your face out in the crowd
And IÃfÂçâ, -Â™ ll hold your heart in mine

Cause you're here
It's all right now

{Chorus}

You can stay in my arms
Till the morning comes
I'll sing this song for you
Stay till the morning comes again
You can stay in my arms
Till the morning comes
Until this storm is through
(Stay) Till the morning comes again

You can stay in my arms
Till the morning comes
I'll sing this song for you
Stay till the morning comes again
You can stay in my arms
Till the morning comes
Until this storm is through
(Stay) Till the morning comes again
I'll be by your side
Stay in my arms
