Here I am
Tonight
I can't stand
To Fight

This feeling of despair
I hide
I wonder are You there?
Sometimes, sometimes (we all wonder)

Chorus:
Whooooooooaaa
This is You, this is me
This is who we're meant to be
Whooooooooaaa
We are the real, the truth is unchanging
This is the call to hearts that are feeling

Whooooooooaaa

So it is
Sometimes
That I feel
This life

Is far beyond repair
But I
I know that You are there
Tonight, tonight (I won't give up)

Chorus

Keep on
Breathing
Don't you let this take you down
Don't stop
Believing

Chorus x2
