You keep your distance like for instance
When you told me we should take it slow
It's been forever, it's now or never
And it might be time to let this go
And I know that I, I've got to get away
'Cause I've had enough

Time
You always needed more time
But all we've ever had is time
So now this is the last time
But I'll be fine

Not that I'm caring
But it's apparent that you're not
What you pretend to be
I thought I knew you

I'm seeing through you
And you never saw yourself with me
And I know that I, I've got to get away
'Cause I've had enough

Time
You always needed more time
But all we've ever had is time
So now this is the last time
But I'll be [unverified]

I've got to let this go
It's holding me down, holding me down
I've got to let this go

I know that I, I've got to get away
'Cause I've had enough

Time
You always needed more time
But all we've ever had is time
So now this is the last time
But I'll be fine

Time
(You've gotta let this go)
You always needed more time
(It's holding me down, holding me down)

But all we've ever had is time
(Gotta let this go)
So know this is the last time
But I'll be fine
